OUR COMPANY

Wise Ways Consulting, Inc. is a Small Woman-owned company providing the highest quality consulting services to meet the training, planning and visioning needs of commercial and Federal Government clients. Our consulting staff specializes in working with clients to understand their business’ needs, plan strategically, and then develop and facilitate high quality training programs.

Our president is a dynamic and engaging facilitator with a positive and motivating style and a solid reputation for integrity and results. A strong communicator with an ability to effectively evaluate the target audience in order to meet their training needs, she is skilled in facilitating diverse groups through complex problem solving to drive productivity and performance improvement.

CORE COMPETENCIES INCLUDE:

- Training Needs Analysis, Course Development and Delivery
- Personnel Management Systems
- Visioning and Goal Planning
- Leadership Development and Coaching
- Varied Delivery and Presentation Styles to Meet Target Audiences
